Company introduction

SHANDONG VTON METAL FENCE CO., LTD

is professional in producing aluminum pool fence and steel security fencing product and our main market is Australia, NZ etc. Located in the beautiful Zhangdian District, Zibo City, Shandong Province, we specialize in making metal fencing, with features of anti corrosion, diverse styles, environmental friendliness and decorative functions. With these strong points, our competitive metal fencing has been enjoying great popularity in such overseas markets as America, Australia, New Zealand and other countries and regions.

In order to ensure high quality of our metal fencing, our workshops are equipped with up-to-date automated powder coat production lines. At the same time, we have strict requirements on the whole production process, such as material selecting, welding and assembling, to make sure each product will meet clients' requirements.

We can also customize metal fencing and design and make various fences with aluminum alloy and cast steel materials. Recently, we have witnessed rapid development in our foreign trade business, and we have also gained independent import and export rights. Now, we are looking forward to establishing good business relationships with partners from all over the world.
